OUR MISSION
To empower people to achieve their highest level of recovery and participation in life through excellence in rehabilitation.

BROOKS REHABILITATION HOSPITALS
Jacksonville | Bartram | Daytona Beach

By linking the best minds in rehabilitation with the latest treatments and technology, we enable our patients to achieve the highest quality of life possible.

- Providing care for more than 50 years
- According to U.S. News & World Report, Brooks is the only nationally ranked rehabilitation hospital in Northeast Florida and 1 of only 3 in Florida. Brooks ranked as “excellent” for patient services and “very high” for number of patients treated for stroke, traumatic brain injury and traumatic spinal cord injury.
- CARF-accredited in stroke, spinal cord injury, brain injury, pediatrics and general medical rehabilitation
- Magnet® designated as a reflection of nursing professionalism, teamwork and superiority in patient care. Brooks was the first in Florida and one of only five freestanding inpatient rehabilitation facilities in the country to achieve designation.
- Joint Commission accredited, demonstrating a commitment to performance standards and patient care.
- Hospital readmission rates are lower than the national average.
