

Frequently Asked Questions Regarding Hospital Visitation

October 2023

Below is information and answers to questions about the visitation process:

Q. How many people can visit the patients?

A. Patients can have unlimited visitors per day. We do ask that limited people visit in the room at one time due to space but larger groups are encouraged to visit in common areas such as day rooms or outside.

Q. Are children allowed to visit?

A. Children under the age of 18 permitted to visit with a supervising adult.

Q. What should families do if there are visitation concerns

A. Families can elevate concerns through staff who will then engage their leader.

Q. What are the hours for visitation? What about overnight visitors?

A. Visiting hours are between 8 a.m. and 8 p.m. If a visitor would like to stay overnight, he or she must be admitted between visiting hours of 8 a.m. to 8 p.m. and receive an overnight badge from the security desk in the admission lobby.

Q. What if my loved one is in isolation due to Covid?

A. Visitation is limited to the patient's private room and visitors are encouraged to wear protective equipment.

Q. Do you require vaccination for visitation?

A. We ask that visitors self screen for any signs of illness but vaccination is not required.

Q. Can visitors sign patients off the floor?

A. Yes, visitors can sign patients off of the floor.

Q. Can visitors bring in outside food?

A. Yes, but we ask that they please check with the patient's nurse to ensure the patient does not have diet restrictions. If requesting food delivery, the food must be delivered before 8 p.m.
