BROOKS
Rehabilitation

Benefiting Brooks Adaptive Sports
and Pediatric Adaptive Recreation

THE SOIRÉE

The Soirée, a yearly Brooks Rehabilitation spring fundraiser, promises an evening filled with live entertainment, delicious food, drinks, networking opportunities with community leaders and much more. Your support will help us raise funds for our life-changing Adaptive Sports and Recreation and Pediatric Recreation programs.

ADAPTIVE SPORTS & RECREATION

Brooks offers the most comprehensive adaptive sports and recreation program in the country, providing fun, fitness, and friendship for people of all ages living with various disabilities. Program participants may enjoy recreational or competitive team and individual sports and recreational activities at no charge with all equipment, coaching and limited bus transportation provided by Brooks.

PEDIATRIC RECREATION

Pediatric Recreation is a free program that provides a safe and supportive environment for youth with physical and/or developmental disabilities so they can engage in recreational activities with their peers. It offers both sport and recreation programs year-round, focusing on social connection, family empowerment and community integration.
